ARTISTIC MARMOREUS

A large, circular marble slab is shown, split vertically. The left half is a light pinkish-tan color with subtle veining, and the right half is a light blue color with more pronounced, darker veining. A small, dark brown wooden figure of a person stands on the blue side of the slab. The background is a plain, light-colored wall and floor.

Elevate Your Space with the Bold Elegance of Prism Tiles

Blancita has introduced its new Prism collection, which is stunningly large at 800X1200mm. These tiles offer a sleek and modern look for any space. Whether you're renovating your home or designing a new commercial space, the Prism tiles collection is sure to impress with its quality and versatility.

ABOUT
US

800X1200MM | GLOSSY

The 800X1200mm size is ideal for floors, walls, and even outdoor areas, offering a cohesive look throughout any project. With their generous size, these tiles create a seamless appearance, making rooms feel more spacious and open.

Explore the Shine & Style

The Prism collection is available with beautiful glossy finish options for your home. These tiles shine brightly, adding a touch of elegance to any room. Their smooth surface reflects light beautifully, making spaces appear larger and more vibrant. The high-quality materials ensure durability, making the Prism collection a smart investment for your home

BLANCITA
ISO 9001:2015 certified

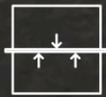

GLOSSY, DURABLE, AND EFFORTLESSLY SAFE

The glossy finish is not only eye-catching but also practical, as it's easy to clean and maintain. It is also resistant to stains, scratches, and fading, ensuring it will look great for years to come. Experience the joy of walking on these smooth, comfortable surfaces that are also slip-resistant for added safety.
