## Experience the Luxury and Reachness with Integrity.

Blancita Ceramic manufactures and exports ceramic tiles based in India. The company is dedicated to excellence and honesty in customer service and quality control. Blancita just introduced the exclusive GHR collection, which is 800\*1600mm. Treat yourself perfectly with various styles and patterns from our newest GHR collection. 800\*1600mm is an exciting art form that combines creativity with precision. These large tiles offer a spacious canvas for artists to express their ideas and create stunning designs. The size of these tiles amplifies the feeling of openness, intricate details, and bold designs that can truly transform a space. Whether a simple geometric pattern or a complex scene, it offers endless possibilities for artistic expression and home decoration.

## Safe, Stunning, and Stylish That Perfect for Every Space.

GHR surface tiles are a stunning choice for any space, offering a beautiful and practical flooring solution. These tiles boast a sleek matt finish that adds luxury to any room. Their surface is smooth yet provides excellent grip, making them safe for everyday use. The attractive appearance of GHR tiles comes from their carefully crafted design, which mimics natural materials like stone or wood.

Their matt finish not only looks great but also helps to hide small scratches and marks, keeping the floor looking pristine for longer. With their durability and good looks, GHR surface tiles are a popular choice for both homes and commercial spaces, bringing sophistication to any environment.
